Dinner?

...Huh?! This is all you're eating for dinner?

And what is this black thing?
It's chinese olive, you've never heard of it? I love it!
Do I... really have to eat this...
It makes me want to vomit

Nom

What the, this girl...

She obviously lives such a miserable existence, you can tell just by looking at her.

She's just like these olive leaves - dark, shabby and bizarre.

I'll try just a little bit...

This is my first time eating chinese olive leaves.

Rumble 轰隆

!?

What is this!!!
It's so incredibly delicious!
I thought I would hate it,
Nom Nom
but after eating so much,
Gimmie another bowl!

*7.50 chinese yuan = ~1 USD

I've come to appreciate the unique flavour.

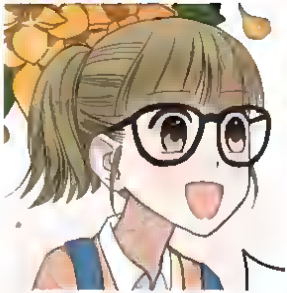
Ah...I'm full.

A romantic flavour

Hello? Xiaoli, I need you to send me 10 boxes of chinese olives tomorrow.
Fengfeng what's going on?
He's being
completely serious

Lin & Lin?

It's a little unclear in english so I thought I'd explain the differences in their names here.



林凡 Lin Fan

Her LAST name is Lin and her first name is Fan. (Ps Fan means ordinary)

谢煜霖 Xie Yulin

His name is Yulin and the girls call him Lin out of closeness. Ps his name is really flowery and means "illuminated continuous rain"

Chinese olives?

These are the preserved olive leaves that Fan and Feng were eating in this chapter.
